Section A: Personal Information

E.01 **Does the respondent have a growth card or exercise book or other clinic book?** i) Yes ii) No

E.02 **What type of book does the person have?**

i) Growth Card ii) Exercise Book iii) ANC book iv) Other _____

E.03 **Is the interview with the mother of the child?** i) Yes ii) No

E.04 (if No to E.03) **What is the respondents relation to the child?**

i) Father ii) Guardian iii) Neighbour iv) Other carer v) Relative vi) Other _____

E.05 **Name of mother** _____ E.06 **Name of the household head** _____

E.07 **Name of the child** _____ E.08 **Child Date of Birth:** If no Card / Book, probe for year first, then month baby was born. Last the day (DD/MM/YYYY) (_ / _ / _)

E.09 **Serial Number** __

E.08 **What is the birth order of this child:** i) 1st , ii) 2nd , iii) 3rd , iv) 4th and above

E.11 **What is the ethnicity of the caregiver?** i) Krio, ii) Temne, iii) Limba, iv) Mende, v) Susu, vi) Fullah, vii) Loko, viii) Mandingo

E.13 **What is the main economic activity of the caregiver?** i) Farming ii) Trading iii) Housewife iv) Student v) Unemployed vi) Formal employment vii) Other

E.14 **What is the caregiver's highest level of education?**

iv) JSS 1-3 v) SSS 1-4 vi) Tertiary Education vii) University viii) Quranic Education i) No Education ii) Primary 1-3 iii) Primary 4-6

E.15 **Do you own a mobile phone?** i) Yes ii) No

E.16 **What is the main material of the roof?**

i) Thatch ii) Cement roof iii) Corrugated iron sheet (zinc roof) iv) Plastic and tarpaulin v) Other _____

E.18 **What is your marital status?**

i) Single ii) Engaged iii) Married, monogamous iv) Widowed v) Married, polygamous vi) Separated vii) Divorced viii) Cohabitation

E.19 *If answered "polygamous" to E.18: How many of you are married to the same husband? enter number*

E.20 **How long have you lived in this community?** *Years / Months*

Section B: Knowledge, Perceptions and Beliefs about Immunization

B.01 **How regular are immunization days at your clinic?**

B.02a **How do you travel to the clinic when going for immunizations?**

i) Foot ii) Okada iii) Boat iv) motor car v) bicycle vi) other

B.02b *If traveling by boat/car/bicycle, ask: How much did you pay for transport in a round trip?* _____

B.02c **How many miles do you travel to the clinic (one way)?** _____

B.03 **How many immunization visits do you think a child should make in total under the age of 1.5 years?**

B.04 *Facilitator please copy the 2 most recent immunizations from the Growth Card*

1. Type vaccine / Date vaccination 2. Type vaccine / Date vaccination

B.05 **Did your husband ever assist you on your child's vaccinations?** i) Yes ii) No

B.06 **If yes, how does he assist you on your child's vaccinations?**

i) He reminds me about immunization, encourages me to go ii) He walks/ drives me to the clinic
iii) He gives me money for transport iv) He gives me money for other cost on immunization

v) He sends gifts to the nurse vi) He takes the child for immunization sometimes vii) Other _____

B.07 Where did you give birth to your child? i) at the clinic where I go for immunization

ii) at a different clinic iii) in the community iv) Other _____

B.08 Facilitator: Take the 10 stones and put them on your plastic folder in front of you, or the bench. Line the 10 stones up in one row, so it is easy to count and see for people. Imagine you have 10 ONE YEAR OLD children in your community. These 10 children have already done one year.

B.06 How many, out of the 10 children, do you think came for the 1st immunization visit? _____

B.07 Out of those (answer to T.01), how many do you think came for the 2nd immunization visit? _____

B.08 Out of those (answer to T.02), how many do you think came for the 3rd immunization visit? _____

B.10 Out of those (answer to T.03), how many do you think came for the 4th immunization visit? _____

B.11 Out of those (answer to T.04), how many do you think came for the 5th immunization visit? _____

B.12 Out of those (answer to T.05), how many do you think came for the 6th immunization visit? _____

B.09 Facilitator: Go to the caregivers' knowledge table. Ask each caregiver the following questions about each of the selected mothers. For each correct answer to **Question 5** give the respondent 1 Maggi cube. Explain to the respondent that we already know the number of immunizations children in the community have, since we work with the clinic - so they do not need to worry about telling us something about others.

1. Do you know this woman and her child?
2. How old do you think the child is in months?
3. How do you know her?
4. Does she take her child for immunizations?
- 5. How many immunization visits do you think her child has made?**

B.15a Will they take any action towards you the caregiver? i) Yes ii) No

B.15b If yes, ask: What will they do? Free text

B.16 Among all the vaccines you have taken or will have to take, which one do you consider the most important?

- i) All are equally important
- ii) BCG
- iii) Penta1
- iv) Penta2
- v) Penta3
- vi) Measles 1
- vii) Measles 2

B.17 Which one do you consider to be the second most important?

B.18 If you were to pick out a caregiver who is careless and not concerned about her child's immunization, who among these caregivers will you think is the one?

- i) Have a young baby with a yellow bracelet
- ii) Have a older baby with a yellow bracelet
- iii) Have a older baby with a green bracelet
- iv) None of these are careless

B.19 Do you think that vaccination is helpful, harmful or both to your child? i) Helpful ii) Harmful iii) Both

B.20 Why do you think, vaccination is _____ (helpful, harmful, both) to your child? *Free text*

B.21 Do you think your child's vaccination can be helpful to other children in the community?

i) Helpful ii) Not helpful

B.22 Why do you think your child's vaccination can be helpful / not helpful for other children in the community? *Free text*

B.23 Can other children be harmful to your child's health if they are not immunized? i) Yes ii) No

B.24 If yes, How can they be harmful? *Free text*

B.25 Can your child be harmful to others if he/she is not immunized? i) Yes ii) No

B.26 If yes, How can your child be harmful to others?

Section E: Bracelet Knowledge STOP THE INTERVIEW HERE IF THIS IS A NONBRACELET CLINIC

E.01 Facilitator: Do you see the child wearing the bracelet? i) Yes ii) No

E.02 Facilitator, If yes to M.01: Which color is the bracelet? i) Yellow ii) Green

E.03 The first time you received a bracelet at the clinic, what colour bracelet were you given?

i) Green ii) Yellow iii) Don't know iv) I did not receive a bracelet

E.04b What vaccine visit number did you come for the day you received the 1st bracelet? i) 1st visit ii)

2nd visit iii) 3rd visit iv) 4th visit v) 5th visit v) 6th visit vi) I did not come for a vaccine visit

E.05 What was the reason you were given this bracelet?

E.06 After you received the 1st bracelet, did the nurse give you or change it for another bracelet?

i) Yes ii) No iii) Don't know

E.07 How many times did the nurse change your bracelet?

E.08 What color/s was/were the other bracelet(s)? i) Green ii) Yellow iii) Don't know

E.09 Ask separately for each color: Why were you given another, green / yellow bracelet? *Free text* _____

E.10 Do you know if the bracelet will be exchanged for another one? i) Don't know/I can't remember ii)

No, there will be no further exchange iii) Yes, for yellow iv) Yes, for green v) Yes, but I don't know the

color vi) Other

E.11 Did the nurse / other source say that you need to do something to get another bracelet? What do you have to do? *Tick all that apply.*

i) No ii) Bring my child for the 5th (9 month) vaccine iii) Fully immunize my child iv) Bring my child for the next vaccine v) Bring my child for vaccination ON TIME vi) Bring my child for the 4th (4 month) vii) Don't know viii) Other _____

E.12 If No to E.01, ask the caregiver: **Why is the child not wearing the bracelet?** *Free text*

E.13 If no to E.01 and has not "Lost bracelet" in E.12, ask: **Do you still have the bracelet?** i) Yes ii) No
